

Dear Delegate

**2<sup>nd</sup> International Conference on Underground Coal Gasification, 7<sup>th</sup> February 07**

Could you spare us a few moments to complete and return this form to:  
[rohan.courtney@ucgp.com](mailto:rohan.courtney@ucgp.com)

1. Did you feel that the correspondence prior to the conference via email and our website was effective?
  
2. Please describe the overall strengths of the conference
  
3. Please describe the overall weaknesses of the conference
  
4. Please comment on the organization of the conference. Did you feel that there were any logistical problems?
  
5. Did the conference live up to your expectations?
  
6. Is a one day conference right, or should it be extended to two or more?
  
7. Is London the right location for next years conference, or do you have alternative suggestions?

8. For 2009, Do you have a preferred location for the conference, e.g. Beijing, Houston?
  
9. Should there be additional workshops on specific topics, e.g. drilling, cavity growth?
  
10. Should the conference become attached to other conferences such as gasification, clean coal, oil and gas?
  
11. Was the time and setting for networking satisfactory?
  
12. Should there be more on the financing of UCG projects?
  
13. Indicate whether there should be more or less of the following topics

Technology of UCG	More	About Right	Less
Drilling and Completion	More	About Right	Less
Modelling of U/G processes	More	About Right	Less
Permitting and environmental issues	More	About Right	Less
Economics of UCG	More	About Right	Less
Case Studies from around the world	More	About Right	Less
CO <sub>2</sub> capture and storage	More	About Right	Less

On a scale of 1 to 5 (where 5 is the highest rating) how would you rate the following:

Presentations:

Q&A and general discussions

Overall Conference
